

## **PRIVATE LUNGEING SESSIONS WITH WEG GOLD MEDALIST CAROLYN BLAND**

Work one-to-one (well, one-to-two--- you, Carolyn and your equine partner!) with AVA Trainer of the Year and WEG Gold Medal lunger Carolyn Bland to sharpen your lungeing skills and develop training goals for your horse, and lungeing goals for yourself! Carolyn will work with you on the following areas, depending on your preference and your (and your horse's) needs.

- Work on any specific problems you may be having with your horse;
- Work on sharpening your lungeing technique for proper performance of your horse;
- Assess where your horse is on the Training Scale;
- Develop goals and a future plan for improvement;

Carolyn reports that, based on past lungeing clinics around the nation over the last year, most lungers find it preferable to schedule more than one lungeing session over a couple of days or more.

Each session is 50 minutes and is private. If you bring your own horse, sessions are \$50 each. If you wish to take a lungeing session borrowing a horse, each session is \$90. If you wish to audit a private lungeing session you must get permission from the lunger and pay a \$35 fee.

Carolyn is available for Private Lungeing sessions during the following times:

- Thursday - noon to 2 and 4:30 p.m. and into evening
- Friday - 3:30 p.m. and into the evening
- Saturday - 4-6 p.m.
- Sunday - 10:30 a.m. and later

(Note: If you wish to sign up for multiple sessions, please pay for a SINGLE session during on-line registration and then MAKE A NOTE in the box detailing how many sessions you would ideally like to take. Also include times that you will be available to take a session.)
