

FIRST TIME AT OUR CONVENTION?

WELCOME!

We want to give you a rousing and proper welcome! If this is your first AVA Convention (or you've been away for a long time!) please let us know (whether you're a vaulter, parent, coach, or supporter) at convention@americanvaulting.org and we will put you in touch with a Convention veteran who can help you get the lay of the land before and during the event, to help you make the most of your time there!

GET CONNECTED

Don't be shy! Join us and get connected into the AVA, vaulting, and a whole new set of friends across the nation!
